

Learn to Swim Policies

REGISTRATION for all classes is done on a first come, first serve basis.

WAITING LIST if your first choice is full, we can place you on a waiting list, but cannot guarantee that you will get in to that class. If you are on a waiting list, we will call you only if space opens up in that class. Registration and payment for that class will not be required until space opens up.

CANCELLATIONS must be done 8 business days prior to the beginning of the session. The Aquatic Coordinator must approve all refunds and credits. All cancellations that occur after the 8-day cut off will be subject to a full charge of the registration fee unless the class is cancelled or the participant has a written medical excuse

REFUNDS will be allowed 8 business days prior to the start of the session. They are subject to a \$20 service charge. Full refunds or credits are granted only when classes are cancelled or the participant has a written medical excuse.

CREDITS will be allowed 8 business days prior to the start of the session. Participants will be required to register for another session at the time the credit is given. If the participant is unable to register for another session the credit is subject to a \$20 service charge.

The Lifestyle Center is unable to provide pro-rated registration fees, credits or refunds for missed classes, once the session has begun.

You may enroll your child for more than one level throughout the summer. Please be advised that it is very common for a child to repeat the same level for multiple sessions based on their progression. If your child has signed up for additional sessions at the wrong level, it is the PARENTS responsibility to change the level in the business office prior to the beginning of the next session. Class availability cannot be guaranteed.

CLASS CANCELLATIONS may occur if class enrollment is below 4 participants. Every effort will be made to transfer participants into another session. Participants will be given full credits or refunds if they are unable to transfer to another session. The Lifestyle Center will make every effort to contact participants in advance if a class is cancelled.
