Aerobic Group Exercise Class Descriptions

Instructors certified by ACSM, AFAA, ACE or COS

A1CARE LIVE WELL WITH DIABETES

A referral from your doctor or an exercise physiologist from The Lifestyle Center is required to participate. Participants need to bring their glucose monitor with them to each class. A fitness Profile/Program Design is required prior to starting class.

BARRE ABOVE

This format fuses the best of pilates, yoga, aerobic and elements of strengthening exercises that dancers utilize.

BREATHING EASY (PHASE II PULMONARY REHABILITATION)

This class is specifically for any participant who has completed Outpatient Pulmonary Rehabilitation or those with lung disease. A Fitness Profile is required prior to starting class.

CARDIO STRENGTH

3-5 minutes of cardiovascular and 3-5 minutes of sculpting utilizing the step along with various equipment for strengthening and conditioning your core.

CYCLING

Cardiovascular and endurance class using a stationary cycle. Appropriate for all fitness levels as intensity is individually controlled.

CYCLE CIRCUIT

Combination of cardiovascular intervals of cycling with intervals of weight resistance training. Guaranteed to give you a great full- body work out.

CYCLE/CORE

Cycling class that includes a cardiovascular and endurance segment ending with core training.

FALL PREVENTION

Balance and coordination class focusing on strengthening the body's different balance systems by performing specialized movements.

F.I.T. (FITNESS INTERVAL TRAINING)

F.I.T. Combines strength training with cardiovascular intervals. This class will focus on challenging your balance, stability and core strength.

HEALTHY HEART CLASS (PHASE III CARDIAC REHABILITATION)

This class is specifically designed for post- cardiac rehab patient and other individuals with special cardiac needs. A Fitness Profile is required prior to starting class.

INSTRUCTOR'S CHOICE

This class incorporates a wide variety of aerobic and strength training activities. The Instructor will choose from the following formats: R.I.P., Tabata, Piyo, or Box-N-Kick

JIU-JITSU (ADULT)

A self-defense oriented martial arts class, which emphasizes techniques including; balance, leverage, deflecting attacks, maintaining proper positioning and escape holds.

JIU-JITSU (JUNIOR)

Children ages 5 to 15 years will learn the basic fundamental techniques of Brazilian Jiu-jitsu with emphasis on improving balance, flexibility,

KARATE (ADVANCED)

Designed for students in ranks green belt and above. Focus included advance sparring and conditioning.

KARATE (BEGINNING)

A traditional Japanese self-defense class designed for ages 8 and order. Students learn combination of punches, kicks, and basic takedowns.

KARATE INSTRUCTION SEMINAR

First and third Sunday of the month-this class will cover proper techniques of kihon, kihon ido, and kata application in kumite. Brown and black belts of all karate styles are welcome.

KOBUDO

Traditional Okinawan weapons class intended for ages 8+. Pre- requisite: one month (+ ongoing participation) in beginner/advance karate class.

LINE DANCING

Need no partner. Popular line dances are explained, demonstrated and practiced

LOW IMPACT

Lower intensity cardio for 30 minutes for the majority of those starting an aerobic program.

OSTEO-PILATES

Pilates Mat class emphasizing basic Pilate's principles such as breathing technique, neutral pelvis and spine, and fundamental exercises. Accommodates beginners and those with osteoporosis.

INTERMEDIATE/ADVANCED PILATES

Mat class emphasizing Pilate's principles and exercises. Class pace and exercise accommodates intermediate and advanced abilities. Props will be used to enhance the workout. Not recommended for those with a history of back or neck injuries.

PIYO

Combines the muscle sculpting, core firming benefits Pilates with the strength and flexibility advantages of yoga. A true fat burning low- impact workout that leaves your body lean and defined,

PURE STRENGTH

This full- body-conditioning workout uses bands, hand weights and Body Bars to enhance muscle definition, strength and muscular endurance.

S3-20-20-20

Workout class consisting of 20 minutes of cycling, 20 minutes of strength training and 20 minutes of stretching.

SILVERSNEAKERS CLASSICS (FORMERLY SIT-N-FIT)

Designed to increase muscle strength, range of movement and improve actives for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

YOGA (RESTORED)

Beginning level blend of meditation with relaxing postures designed to soften the muscles and relax the body.

YOGA

75 minute class of Hatha style yoga incorporating different poses to explore the inner structures of body, mind and spirit.

ZUMBA

Zumba- A mixture of body sculpting movements and easy to follow dance steps to Latin and international Music. Classes feature combinations of fast and slow rhythms that tone and sculpt the body.

All classes are 55 minutes unless otherwise specified. Please be considerate and refrain from entering scheduled classes while in session. Thank you for your patience.
